

NARRATIVE 4 TEACHER TRAINING

WOULD YOU LIKE TO BECOME A NARRATIVE 4 FACILITATOR?

Narrative 4 is expanding, and we are inviting secondary school teachers who are interested in bringing the power of the story-exchange into their classroom. You will learn our creative empathy building methodologies, explore emotional intelligence, and be part of the Narrative 4 story in Ireland. This may especially be of interest for teachers developing wellness programmes for Junior Cycle.

Narrative 4 works to equip young people to use their stories to build empathy, shatter stereotypes, break down barriers and ultimately - make the world a better place.

This training is funded through Creative Ireland Programme Scheme 2018 - 19 through a project called "Becoming A Narrative 4 School" and is specifically for schools in the mid-west.
